CIRCULATING THROUGHOUT THE VAST AGRICULTURAL AREA OF PALM BEACH COUNTY

Awards Are Made For Outstanding Work By Seniors

The annual awards to outstanding members of the Pahokee High School Senior Class were presented by Principal Clyde A. Canipe during the Class Night program in the high school auditorium.

Sandra Adams received five awards, valedictorian, citizenship, art, Latin and mathematics; Lory Ann Rockwell, three awards, salutatorian, best all-round girl and English; Ronnie Hitchcock, three awards, best all-round boy, athletics and history; Judy Shackford, two awards, activities and athletics; Patricia Crady, two awards, commercial studies and home economics.

One award was received each by Ray Waddell, agriculture; Gordon Chase, science; Elizabeth Smith, Spanish; Fred Blakey, activities, and Dale Rosenberg, citizenship.

Seniors who had served in the Pahokee High School Band for two years or more, including all of the Senior year, were presented with medals. These included Fred Blakey seven-year member; James Stamps, five years; Carolyn Crosby, four years; Lory Ann Rockwell, four years, and Judy Shackford, three years.

Receiving medals for serving in the PHS Glee Club for two or more years, including all of the Senior year, were Annie Lee Boyd, Weldon Cardin, Wilda Davis, Chester Mullis and Linda Sellers.

Girl Scouts Get "Camperships"

Four Pahokee Girl Scouts have been awarded "camperships" to Camp Margery Daniel at Jupiter for outstanding work in Scouting during the past year, according to Mrs. Rena Canipe, neighborhood chairman. The group includes Sue Brower, seventh grade; Barbara Childers, sixth grade; Roberta Frank, fifth grade, and Kay Canipe, fourth grade.

The camperships were established by the Palm-Glades Girl Scout Council, with seven Pahokee civic groups making contributions to the fund.

Other Pahokee Girl Scouts who plan to attend summer camp at Margery Daniel are Willola Tyson, Ethel Ida Johnson, Linda Lane, Julia Johnson, Glynda Carr and Sara Johnson.

Airport Plans Being Considered

The group of local pilots who use the facilities at the County-owned Glades Airport on Bacom Point Road met with Frank J. Sakser, supervisor of the airport, in the Pahokee city hall to discuss the building of hangars at the airport.

The pilots suggested that "T" hangars large enough to accommodate 12 light planes be built by the County, the pilots to pay rent for the use of the hangars plus two cents for each gallon of gas used by them.

Mr. Sakser promised the group that he would present this suggestion to the County Commission at its next session.

Fish Supper By C. P. Lions Club

An old fashioned fish supper will be served by the Canal Point Lions club at the Community Building in Canal Point tonight (Friday) with the serving to start at 6 p. m. Those in charge say that a slight charge of \$1.00 will be assessed in order that the civic group may realize a little profit to help defray expenses of building a boat ramp and picnic area on the Lake Front just north of the Canal Point entrance to the dike.

Serving will continue until 9 p. m., officials of the club said. All the fish you can eat for \$1.00, is what the Lions say in advertising the supper.

Swamp cabbage prepared by an expert will be another delicacy to go along with the fried fish, it was pointed out.

Welfare Board Assists 4,127

Thomas E. Penick, Chairman of District Board 10 of the State Department of Public Welfare, reported that in Palm Beach County 4,127 persons were assisted in the four categories of public assistance for the month of May.

A total of 1,600 persons received \$77,357.00. 77 persons received Old Age Assistance in the amount of \$4,128.00. 587 families, representing 1,860 children, received Aid to Dependent Children in the amount of \$35,339. 88 persons received Aid to the Disabled in the amount of \$4,572.00.

In addition 102 children received service during the month, 63 of whom were in foster homes. The total State and local cost for these child welfare services was \$3,813.80.

There were 8 adoption petitions studied for the Circuit Court. These are children placed in homes independent of service through a licensed child placement agency, and the Welfare Board is responsible according to law to make these reports to the court.

Palm Beach County is also represented on the District 10 Welfare Board by Mrs. Doris Sasser, Pahokee; Mrs. Muriel Hirsch Pick, Palm Beach; Mrs. Helen R. Tedder and Mrs. Helen D. Woodward, West Palm Beach.

NEW CHAIRMAN

Mrs. Janette Johnson has been named neighborhood chairman of Pahokee Girl Scouts to fill the vacancy left by the resignation of Mrs. Rena Canipe who is moving with her family to Riviera Beach this summer. Others on the Pahokee Girls Scout neighborhood service team are Mrs. Donna Plummer, troop consultant; Mrs. Rosanna Parrish, troop organizer, and Mrs. Helen Jean Boynton, finance chairman.

SHOWS SLIDES

Bascom A. Belcher showed colored slides of local scenes at the dinner meeting of the Canal Point Lions Club Monday night. Final plans were made for the old-fashioned fish fry, complete with hush puppies and swamp cabbage, which the club is holding in the Community Hall this evening to raise funds for completing payments on the new boat ramp.

Will Ask Bids For Office Building In Glades July 22nd

The county commission this week voted to receive bids for construction of a new county office building at the county barn site north of Belle Glade on July 22.

The board, on suggestion of Commissioner Paul Rardin, Canal Point, gave approval of tentative plans for the structure and instructed the architect to proceed with final plans. Estimated cost of the structure which will house county sub-offices, was given as \$80,000. Another \$20,000 is allotted for furniture and equipment.

Let other actions this week the commission:

Announced that Commissioners Kenneth Foster and Lake Lytal are in Washington D. C. for a conference with government officials on construction of a new county jet airport.

Approved a motion by Commissioner Ben Sundy to accept an appraisal of \$440,959 for right of way needed for widening U. S. Highway 1 between Delray Beach and Boynton Beach and forwarding the appraisal to the State Road Dept.

Set June 9 as National Crippled Children's Hospital Day in Palm Beach County at the request of the county Shrine organization.

Voted a \$200 contribution to the Palm Beach County Cattlemen's Association to be used to help stage the Florida State Cattlemen's Association convention at Clewiston.

Voted \$250 to the Flotilla Club to help promote the annual Gold Coast Marathon, a boat race between West Palm Beach and Miami.

Heard that the county's bulkhead line had become a law and ordered that bulkhead line maps be filed with the U. S. Engineers, State II, Trustees and in the circuit court clerk office.

Expressed appreciation to the county legislative delegation for cooperation in securing passage of a legislative program sponsored by the county board.

Junior High Will Graduate 20 Today

Commencement exercises for the 21 students who are graduating from the Eighth Grade at the Canal Point School will be held this Friday, June 7, at 9:30 a. m.

County Commissioner Paul Rardin will deliver the address to the graduates. A. R. Harrington, school trustee, will present the diplomas. The Rev. Charles D. Stewart, pastor of the Canal Point Baptist Church, will give the invocation and benediction. Mrs. Billie Huddle, pianist, will play the processional and recessional.

The Eighth Grade graduates include Shirley Anderson, Plassie Banks, Bette Lou Burke, Kaye Dixon, Naomi Elliott, Joan Hooper, Mary Ellen Jimmerson, Emily Lee, Linda Meeks, Glenda Sears, Ida Mae Smith, Louise Stacy, Sandra Upthegrove, Nellie Yeomans, John Kautz, Rafeord Martin, Donald Sellers, Bobby Thompson, Roy Watson, Lemar Williams and Harold Yeomans.

Brownies Are Advanced In Rank

A group of 13 Brownies from Pahokee Troop 164 were advanced in rank and presented with Girl Scout pins at the final meeting of the season held at the First Methodist Church. In the group were Mary Lee Adams, Laura Boyd, Kay Canipe, Linda Douglas, Andrea Funderburk, Yolander Franklin, Susan Graham, Daye Harris, Clarissa O'Neal, Penny Pennington, Willola Tyson, Marlene Terry and Glynda Carr.

Gifts were presented to Clarissa O'Neal and Kay Canipe, who are moving from Pahokee with their families this summer; also to Mrs. Rena Canipe, Mrs. J. T. Boynton, Mrs. F. S. Parrish, Mrs. W. S. Plummer and the Rev. James E. Boyd for their assistance to the troop during the past season.

New Building For Coward's Laundry

Coward's Laundry and Dry Cleaning Plant in Pahokee, destroyed by fire last week, will be housed in a new concrete block building, according to Reppard Coward, owner of the concern. Work of clearing off the old building will get underway just as soon as details can be worked out. The fire caused Mr. Coward a loss in the neighborhood of \$50,000.30. The new building will be 40x92 feet.

Jimmie Tyson Is New Pahokee Lion

James L. Tyson, Jr., was received as a new member of the Pahokee Lions Club at the Tuesday luncheon meeting with Curtis Chase in charge of the ceremony

including him into Lionism. Attendance plans for perfect attendance to club meetings during the past 32 weeks were presented to Curtis Chase, Leonard Dobrow, M. I. Keen, D. B. Mathis, Rupert Mock, Duncan Padgett, Robert J. Schroder, Paul Tillery, Frank Tillis, James W. Vann, Gene Pennington, Web Fell, Brooks Henderson and Dave Cunningham.

Brooks Henderson introduced Paul Dinnis, newspaper editor, who compared today's newspaper advertising with that of twenty years ago.

Turn Pike Brings In Record Cash

FT. LAUDERDALE — Total revenue produced by the Sunshine State Parkway during April amounted to \$354,580.51, according to announcement here today by Thomas E. Manuel, Chairman of the Florida State Turnpike Authority.

He said that 318,582 vehicles carrying nearly 1,000,000 people traveled 14,032,375 miles without a fatality. Tolls of \$338,439.84 were paid during the 30-day period. Concessions and miscellaneous revenue amounted to \$16,140.67.

The Turnpike Authority has retired more than \$1,640,000 of its revenue bonds out of surplus and revenue, thus reducing bonds outstanding to less than \$72,360,000 out of the original issue of \$74,000,000, Manuel stated.

Georgia Concern Low Bidder On 115 Low Rent Houses

Construction bids for the two federal low-rent housing projects for Pahokee, comprising 115 housing units, were opened by the Board of Commissioners of the Pahokee Housing Authority at a special meeting in the PHA office at the Pahokee Labor Supply Center Tuesday morning.

The lowest bid, \$1,295,000, was submitted by A. B. Newton & Co., of Vidalia, Ga. Only two other bids were received and opened, that of J. Hilbert Sapp, Inc., of Orlando, \$1,337,800, and Ewell Engineering and Contracting Co., of Lakeland, \$1,399,505.

This is the second time the Board has opened bids for these projects. The seven bids opened on April 25 were all rejected following consultation by the board with officials at the regional office of the Public Housing Administration in Atlanta, Ga., the reason for rejection being that all bids submitted at that time were in excess of the funds allotted for the two housing projects.

The new bids will be taken to Atlanta by a delegation made up of Leonard Dobrow, board chairman, Robert Apelgren, vice chairman, and James W. Vann, executive director, for study and approval by officials at the regional office. If any of the bids receive federal approval it will be accepted by the Pahokee Housing Authority and construction will start within the next few weeks, according to Vann.

New Fibre Plant Goes To Pensacola

PENSACOLA — Ground was broken recently for the multi-million dollar plant in Northwest Florida which will produce American Cyanamid Company's new acrylic fiber, Creslan. In launching the project, located near here in Santa Rosa County, Kenneth C. Towse, Cyanamid president, asserted that the company looks forward to steadily broadening markets for Creslan a synthetic fiber continues to increase their share of the market.

Scheduled for completion late in 1958, the Santa Rosa plant will be one of the world's most modern textile fiber facilities, with an annual capacity of 27 million pounds of Creslan staple and tow. Its construction is part of Cyanamid's broad expansion program and the ground-breaking, a highlight of the company's year-long 50th anniversary observance.

BOY SCOUT DRIVE

The annual drive for funds for the Gulf Stream Council, Boy Scouts of America, got under way here during the past week under the direction of Duncan Padgett, drive chairman, and his group of workers. This year's goal for the Pahokee-Canal Point area has been set at \$1,100.

Michael Todd's movie "Around the World in 80 Days" which has been showing in Miami was chosen as the feature film to open the Cannes Film Festival in France.

Ingenious—That's the Word for Farmer... Needs Lead to "Underground" Hay Dryer

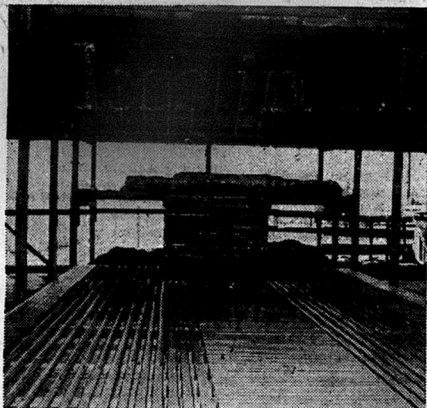

By IRA MILLER

Farm Electrification Bureau

Farmers are ingenious people. Depending on the room available, the money they have to invest, and the type of farming operation that suits them best, they'll come up with the sort of equipment and structure re-

quiring fan so that it would blow unheated air under and up through the slatted floor. The fan and its 7 1/2 horsepower motor are in a pit at the far end of this 100 x 60-foot structure. The pit slopes down to a point 4 feet, 2 inches below ground level.

The slatted floor is 60 feet long

quired to do the most efficient and economical job.

For example—suppose you had some extra land, wanted to put up a low cost structure that could be used to finish drying baled hay and serve as a feeding shed—what would you do? The picture above with this on-the-farm report shows what one Virginia farmer considered to be the best answer to this problem.

He constructed an open one-story building and located his hay "dry-

ing" fan so that it would blow unheated air under and up through the slatted floor. The fan and its 7 1/2 horsepower motor are in a pit at the far end of this 100 x 60-foot structure. The pit slopes down to a point 4 feet, 2 inches below ground level.

With this arrangement, the farmer has a "drying" capacity of 4500 bales. Cement slabs on each side of the "dryer" platform are used to stack hay. Beyond these slabs are alleys into which hay can be pitched to feed beef cattle.

Here Is What Transpired At Monday's Meeting Of The Palm Beach County Commission

The county commission marked up two "firsts" Monday—one for improvement of sub division streets and the second concerning zoning laws.

In its sub division street improvement program, the board approved plans for rebuilding Dolan Road in Frostproof at an estimated cost of \$8,360 and ordered that bids be called for the project.

The road program is the first to be worked out under a new plan where street improvements can be made by the commission and costs be assessed against property owners.

Sitting as a zoning commission, the board gave its approval to an application for building a residence in a commercial zone. It was the first exception to recently adopted zoning laws handled by the commission.

Also as the zoning commission, the board ordered public hearings called on exceptions asked to modify yard requirements and on a second application by MacArthur

Dairies which is seeking to construct a distribution plant on Military Trail at the Palm Beach Canal.

WIENER ROAST

Members of Pahokee Cub Pack 23 enjoyed a wiener roast on the Lake Okeechobee levee during the last regular meeting of the season. Achievement awards were presented to 41 of the Cubs. In keeping with the theme of the month, "Fire Prevention," the Cubs were given rides on a fire truck.

Plans were discussed for holding joint den meetings during the summer.

CARD OF THANKS

I wish to thank my friends for their cards, flowers, prayers and other expressions of sympathy and comfort which have been so helpful in my recovery both while in the hospital and during my convalescence at home.

Cinematic Chatter

By Malcolm Millar

Hello everybody! This gal Kathleen Hughes has had a very interesting career in cinema productions. Miss Hughes was discovered by a talent scout at the Gellar Theatre workshop appearing in "Night Over Tago," while there on a scholarship—as a result she was signed by 30th Century-Fox to a term contract, remaining at that studio for three years, appearing in 14 pictures, the first "Roadhouse," and the last "Take Care Of My Little Girl." After freelancing for two years, during which time Miss Hughes appeared on many TV Programs including the Sinatra, Ed Wynn, Alan Young shows, etc. Her performance opposite Paul Henreid in "The Tall Lie" led to a contract with Universal-International where she stayed three years, and appeared in "The Golden Blade," "The Glass Web," "It Came From Outer Space," and "Dawn at Socorro," etc. Miss Hughes graduated from Fairfax High School, and attended Los Angeles City College and UCLA, majoring in Art and Psychology. Last summer Miss Hughes played the lead in "The Seven Year Itch," opposite Don Taylor at the La Jolla Playhouse. She enjoys swimming, horseback riding, and bowling. Married one year to producer-writer Stanley Rubin, Miss Hughes was voted "Miss Cheesecake" by the armed forces in 1953. See you at the movies—Mal.

Bell and Workers In Agreement

The Southern Bell Telephone Company and the Communications Workers of America today reached agreement on provisions of a new contract. Beginning on the Agreement has been in progress in Atlanta since April 22. The contract, if ratified by the Union, will be made effective today.

Wage increase ranging up to \$4.00 per week, depending upon the job and town classifications of the employees, are included.

Other modifications in the contract include reclassification of a number of cities and towns for wage purposes and consolidation of the Company—Union Recognition Agreement and Working Agreement, formerly two documents, into one.

The agreement will run for one year but will extend beyond the initial period unless terminated by sixty-day notice of either party.

Personnel Vice President W. A. Thompson said, "The wage increases are necessary to keep the pay of Southern Bell people in line with wage levels prevailing in the communities where they live and perform their work. It is the policy of the Company to keep our people's wages in favorable comparison with those of other employers. Extensive surveys showed that there had been upward movement in the Southeastern states, and our increases are being made accordingly."

"The contract is a good one that is fair and just to the employees, the public and the owners of the business."

The wage increases and other changes in the contract will add about \$9,000,000 a year to the cost of providing telephone service in the Company's nine-state area. The contract affects about 57,600 non-supervisory employees.

In Florida, the added cost will amount to about \$1,650,000.

Pick your savings target and shoot straight for it!

A home... financial security... a business of your own. Important savings targets like these cost money—a substantial sum—and more than most of us have. But here's a sure way for you to score a bull's-eye and walk off with the big prize you want.

The secret of saving is system. And the simplest, most automatic saving system ever devised is the Payroll Savings Plan. Best of all, you do more than save through Payroll Savings. You invest your money, too, and make it grow. Here's how it works:

Tell your company pay office how much you want to save each week. Then each pay period that amount will be put aside for you before you have a chance to spend it. Your money will go automatically into U. S. Series E Savings Bonds.

Because Savings Bonds earn good interest—3% compounded semiannually when held to maturity (9 years and 8 months)—they're soon worth much more than you've invested in them. And your Bonds will continue to pay this same good interest as long as 19 years and 8 months. That means a return of up to 80% more than you originally paid.

And remember this. There's no guesswork or chance about the Payroll Savings Plan. It's absolutely safe and sure. Invest just \$7.50 a week. In 5 years you'll have Savings Bonds worth \$2053 in cash; in 10 years, \$4448.

Even if you've never been able to save before, this plan is guaranteed to work for you. So sign up today for Payroll Savings where you work—or invest in Bonds regularly where you bank.

For the big things in your life, be ready with U. S. Savings Bonds

Make your dream house come true! It's easy
—through Payroll Savings!

If you think you can't own the home of your dreams because the down payment's too steep, chances are you've never tried the Payroll Savings Plan. Because this is the easy, automatic way to meet any down payment—for a house or any large purchase.

Just do this: Sign a Payroll Savings application at your pay office, naming a certain sum to be kept aside from your pay before you get it each week—a few dollars or as much as you want. After that, you're saving automatically—nothing to worry about, nothing to do. And, best of all, the money saved out of your pay each week is automatically invested for you in U. S. Series E Savings Bonds.

Because Savings Bonds earn solid interest—3% cumulative semiannually when held to maturity

—the few dollars saved from your pay each week soon grow into big generous amounts. For instance, if you sign for \$12.50 a week, in just five years you'll have \$3,548.95 cash. In 9 years, 8 months, you'll have \$7,217.20!

So don't let down payments get you down. Meet your needs for ready cash the way more than 8 million other Americans are meeting theirs—join the Payroll Savings Plan today. Or, if you're self-employed, invest in Bonds regularly where you bank. Start now to make your dreams come true!

If you want your interest or current income, ask your bank about Series H Bonds, which pay dividends annually by Treasury check.

Choose your own savings goal

	If you want approximately		
	\$5,000	\$10,000	\$25,000

Conservation To Be School Topic

WEST PALM BEACH—Florida elementary school children will use instructional material prepared by the Central and Southern Florida Flood Control District to learn about resource-use and conservation during the next school year.

According to announcement by the FCD, that agency has been asked to cooperate with the Division of Instructional Field Services, State Department of Education in making material on conservation subjects available to teachers and school children in the elementary grades.

Explanations of how salt water intrusion into coastal wells has been checked, of how conservation areas are providing habitats for fish and wildlife, and how water is stored in wet times in conservation areas for use in dry periods are some of the subjects to be covered. Other benefits the project affords such as protection of developed areas, prevention of over-drainage and navigation improvement will also be explained.

A state-wide committee has been compiling resource-use educational materials for Florida teachers during the present school year. The committee, working through the State Department of Education, selected the Flood Control District as an instructional example of resource-use and conservation practice.

During the next year, nationwide attention will be focused on the protection of the public interest in natural resources. By provision of a current Senate Joint Resolution, the 50th anniversary of Theodore Roosevelt's first conference of State Governors will be commemorated. This conference defined a national policy for the protection of forests, waters and streams, soil and range, wildlife, minerals, fuels and all other natural resources such as the Flood Control District is presently following.

The Flood Control District is already assisting high school and college teachers and students in providing them materials for study.

Pastor Tells His Sunday Topic

"How to Become a Christian" is the Pastor's theme at the First Baptist Church in Pahokee this Sunday morning. At the evening hour the Ordinance of Baptism will be observed and the sermon topic will be "Southern Baptists in World Service." The Pastor will give highlights of convention meeting in Chicago last week.

Teachers and Officers of the Sunday School meet for their supper and regular monthly meeting on Monday at 7:00 p. m.

Prayer Hour and Business Meeting on Wednesday.

Riddle Airline Promotion Plan

MIAMI—Riddle Airlines, one of the country's largest air-freight carriers, has instituted a new program to promote workers in the mechanical departments that has received union agreement. Under the new plan anyone eligible for promotion may bid on openings for jobs with the Union and the company working together in selecting the man to be promoted.

Riddle's personnel director says the program follows the principle that a man should not be promoted unless members of his group feel he is qualified. The contract affects employees in Miami, New York, Chicago and Atlanta.

Mr. and Mrs. Ronald Wright and son of Atlanta, Ga., are expected to arrive here this weekend for a visit with her parents, Mr. and Mrs. J. L. McCall.

*Uncle Sam made the bonds you own
an even better bargain!*

Now your maturing Series E Bonds can earn interest 10 more years at 3%

PRESENT TREASURY REGULATIONS make it possible for you to collect a return of as much as 80% on the Series E Savings Bonds you already own!

For now those Bonds which you invested in 10 years ago can go right on earning interest for ten more years without your doing a thing about it! That is true not only of the Bonds which you have held for ten years, but any other Series E Bonds which you have invested in in the meantime. And any Series E Bonds which you obtain now will also enjoy the extended earning period. They will start earning interest sooner and mature earlier, too, paying 3%, compounded semiannually.

The Bond you got for \$18.75 can now pay you \$33.67 . . . a \$37.50 Bond will be worth \$67.34 . . . and so on.

Of course, any Series E Bond may still be redeemed at any time after you have held it for two months. But, like any other form of saving, your Bonds will mean a great deal

more to you if you can hold on to them.

Are you one of the millions of Americans who are saving regularly with Savings Bonds through the Payroll Savings Plan? If you're not, why not start now? Invest regularly in Bonds through the Payroll Savings Plan where you work. Ask your pay office to save as little as 25c a week for you, or as much as you are able.

If you can save just \$5 a week regularly through the Plan, in five years you will have \$1,367.90 . . . in 9 years and 8 months, you'll have \$2,850.70 . . . and in 19 years, and 8 months, \$6,872.45! This Plan is one sure way to save because it saves something out of every check before you have a chance to spend it.

So join the Payroll Savings Plan where you work today. Or, if you are self-employed, start the Bond-A-Month Plan where you bank. It's safe, it's sure, it's automatic. And you will be helping yourself and your country!

If you want to be paid
your interest as current income—
invest in 3% Series H

If you want a good, sound investment which pays you your interest by check every six months, ask at your bank about United States Government Series H Bonds. Series H is a new current income Bond available in denominations of \$500 to \$10,000. Redeemable at par after 6 months and on 30 days' notice. Matures in 9 years and 8 months and pays an average 3% interest per annum if held to maturity. Interest paid semiannually by Treasury check. Series H may be purchased at any bank, annual limit \$20,000.

Now even better! Invest more in Savings Bonds!

WSCS Gives Life Memberships To 5

Five members of the Pahokee First Methodist Woman's Society of Christian Service were honored with WSCS Life Memberships at the annual WSCS membership tea held at the home of Mrs. William S. Plummer, with Mrs. Vance Denton, vice president, in charge. The group included Mrs. Sarah Vann, Mrs. Willola Moss, Mrs. Hilda Jensen, Mrs. Foy Rogers and Mrs. Inez Reeves. The presentation was made by Mrs. Clyde A. Canipe on behalf of WSCS.

WSCS honorary infant memberships were presented to Patty Ann Apeltgren, John Allen Phillips, Roland Lester Todd and Gordon Eugene Pickren. Mrs. Arch Blakey presented these memberships and Mrs. Lloyd Hundly gave each of the honorees a miniature flower arrangement.

Mrs. Hundley introduced the new members, who were presented with gardenia corsages. These included Mrs. Frances Peterson, Mrs. Eleanor Pickren, Mrs. Lillian Hatton, Mrs. Pat Todd, Mrs. Mazella Brower, Mrs. Hazel Wroten, Mrs. Betty Holman, Mrs. Hilda Myatt, Mrs. Bertie Padgett, Mrs. Martha McIntosh, Mrs. Selma Wilson, Mrs. Lorraine Morgan, Mrs. Lily Register and Mrs. Sally Owens.

Mrs. Marjorie Hatton, chairman of the Mabel Simonson Circle, was presented with a gift by Mrs. Frank Friend on behalf of her circle.

The tea table, lighted with yellow tapers, had as a centerpiece an arrangement of yellow roses. Yellow hibiscus blossoms were dominant in the decorations in the Florida room and flamingo hibiscus, in the living room. A duet was sung by Bonnilu Lair and Kay Canipe, accompanied at the piano by Emma Dot Lair.

Pledge Service Is Conducted By WSCS

The annual pledge service for members of the Woman's Society of Christian Service of the Pahokee First Methodist Church was conducted during the last regular meeting of the season at the church Monday night, with Mrs. John A. Dulany officiating in the absence of Mrs. Duncan Padgett.

During the candlelight service Mrs. R. R. Hurt and Mrs. R. W. Sanders sang a duet, "Ivory Palaces," accompanied at the piano by Mrs. James W. Vann, and Mrs. A. D. Beverly sang "When I Kneel Down to Pray" while members and officers were assembled in prayer at the altar. Mrs. Beverly was accompanied by Mrs. R. W. Sanders at the piano.

Mrs. Arch Blakey presided at the business session in the absence of the president, Mrs. E. A. Jensen. The group voted to purchase two vases and pedestals for the church altar.

It was announced the annual School of Missions will be held in Lakeland this summer, July 29—Aug. 2.

The attendance pin for the month was awarded to the Miriam Circle. Members of the Mary Mar-

tha Circle were hostesses during the serving of refreshments at the end of the meeting.

Andrews - Barnes

Mr. and Mrs. Morrell Andrews of Pahokee announce the engagement and approaching marriage of their daughter, Evelyn, to Kenneth Barnes, son of Mr. and Mrs. D. Barnes of Michigan.

The bride-elect is a member of the Junior Class at Pahokee High School. Mr. Barnes attended schools in Michigan.

Plans are being made for a June 8th wedding.

Mrs. J. T. Chance is a patient at the Everglades Memorial Hospital this week.
